ESSAY QUESTIONS FOR TEACHERS/LEADERS POSITIONS

On separate sheets with your name on the top of each page, please use no more than four sides to explain your vision/ process/successes/failures in response to these prompts.

The main foci of the East Metro Integration District Schools are multicultural, environmental science, and arts education. The main features taken from our educational plan include: multiage grouping, cooperative learning, learning style differences, multiple intelligences, technology, integrated thematic learning, and graduation standards in a year-round setting.

- A. Describe how you, as a classroom teacher, would integrate these concepts into the curriculum and your daily classroom instruction.
- B. Explain how you would team with other teachers to support the learning of all children.
- C. Explain how you would form partnerships with parents/guardians especially with those families who may be most disenfranchised.
- D. What are the key issues in establishing a learning community that not only is sensitive to diversity but respects and values the differences such as race, ethnic, culture, or economic?

QUESTIONS E AND F FOR LEADERSHIP APPLICANTS ONLY

- E. How would you as the Curriculum and Program Supervisor or Principal work with the school staff and administration to develop curriculum and instructional practices that support the program foci and the mission of the district?
- F. Explain both the process and the outcomes you would expect as a result of the process.
